

PARTNERING FOR SUCCESS

FROM CLICK TO DELIVERY

ISHYIGA KAOS operates through an e-commerce platform, enabling retailers to place orders for products, which are then transmitted to wholesalers responsible for fulfillment.

PRICE, DISCOUNT & BARGAIN

ACCURATE INVENTORY

INVOICE FINANCING

FAST DELIVERY

OUR AUTOMATED SOLUTION

B2B comprises five essential systems that seamlessly work together across different businesses to streamline the transactions. From initial registration and item master data management to wholesaler and retailer order processing, our system ensures smooth operations at every step. Those systems includes: ONE ACCOUNT, NIKI, ERP, POS, LIVE & KAOS
